

Rolling Plan for the Republic of Yemen

As of April 2021

Priority Area 1	Improving the Humanitarian Situation and Supporting the National Reconstruction														
	[Background and current situation] More than six years of war has pushed Yemen to the edge of famine, uprooted millions of people from their homes, destroyed the economy and fostered the spread of diseases, including COVID-19. Recognized as one of the world's worst humanitarian crisis, 20.7 million people in Yemen are in need of humanitarian assistance and protection and over 4 million people are internally displaced.					[Strategy] Providing humanitarian and development assistance in a wide range of fields such as food security, health, education and WASH in cooperation with international organizations working in Yemen.
