

Rolling Plan for the Republic of Yemen

As of April 2023

Priority Area 1	Improving the Humanitarian Situation and Supporting the National Reconstruction												
Development Issue 1-1 Response to the Humanitarian Crisis	[Background and current situation] Since January 2015, more than eight years of conflict have destroyed basic infrastructure, impoverishing the lives of the population, and the economic crisis has delayed the government's provision of basic administrative services. The UN and other concerned countries have called for the importance of assistance by the international community in light of the serious humanitarian situation in Yemen, which is considered "the world's worst humanitarian crisis". The UN Humanitarian Response Plan (HRP) for Yemen 2023 identifies 21.6 million people as those in need of assistance, however, in recent years, the humanitarian assistance funding According to the OCHA, only USD 2.2 billion (51.5% of the required) was provided in 2022.				[Strategy] Providing humanitarian and development assistance in a wide range of fields such as food security, health, education and WASH in cooperation with international organizations working in Yemen.
